

**ARTICLE X
INSPECTION AND ENFORCEMENT**

SECTION 10.01: Inspection Rights

For the purpose of enforcing the provisions of these Rules and Regulations of the Authority with respect to the operation of the Sewer System and for the purpose of advancing and protecting the public health, the Authority reserves the right to come upon or enter the premises of any person, firm, or corporation connected to the system for the purpose of inspecting the sewer facilities located thereon and for the purpose of determining compliance with the requirements of the Authority. In the event that the Authority's duly authorized representative(s) are denied access to any customer's premises for these purposes, the Authority reserves the right to discontinue sewer service to such premises until inspection is permitted and compliance with the requirements of the Authority has been determined.

For new installations and repair/replacement of existing building sewers, the Authority must inspect the installation prior to burial. The application for inspection is located in Appendix B.

SECTION 10.02: Discontinuance of Service

Notwithstanding any other provisions or implications of these Rules and Regulations is to the contrary, the Authority reserves the right at all times to refuse to render or to continue to render sewer service to any property or through any lines whenever it appears that the connection of the property to the Sewer System has been improperly made or whenever it appears there has been a violation of the Rates, Rules and Regulations of the Authority with respect to the installation or use of the sewage disposal facilities. In the event that the Authority shall elect to discontinue service to any user connected to its lines, except as provided in the Industrial Waste Control Regulation for Significant Users document, the Authority shall give ten (10) days written notice by Certified Mail to the Owner prior to disconnecting the property from the sewer system.
